The Bird Table

Back in 1988, in the early days of King's one of our little girls had a picture of a bird table. She saw little birds feeding on the bird table. Then some big birds came in and pushed the little birds off the table.

The little girl said she felt God was saying "If we take care of the little birds, the children. God will take care of all the rest" Over our time as a Church we have given children and youth a high priority, we have invested time and money in them, this is part of our identity, this is part of our history and this is part of our ethos.

Sunday Fishes

Sunday Fishes caters for age 3 to Pre-school. Teaching basic bible principles in a fun and interactive way. The children learn to pray for one another when they are sick. They ask for God's help in being good, kind and brave. We have fun together!

Primary 1 to 6 children enjoy Go M.A.D. (Go Make A Difference) exploring God's truth together from the Bible. Each week we use a variety of games and activities to learn and have fun together. The curriculum provides relevant themes for each age group to help us understand and experience God more and more and to equip us to **Go M.A.D.!**

They then graduate to **Grapple** which caters for P7 - S2 and **Gap** S3-S4 where they tackle the tough questions that teens ask about their relationship with God, others and themselves. They dig into real-life issues and find out what the bible has to say using attention-grabbing material.

Our Children and Youth provisions are very important parts of our ministry to both the church body and the community.

If you are interested in serving in any of these areas or would like more information about what happens, please contact any of the Group Leaders, call Fiona at The King's Office or go to our website site www.the.kingsinverness.com

Babies and toddlers from birth to 3rd birthday 'Play-n-Worship' together! You are welcome to stay with your child or to leave them in the care of our dedicated team of friendly leaders. If your child becomes unsettled, we will come and find you. We ask that all babies under 9 months are accompanied by a parent/carer for the duration of the session. During a session the babies and toddlers can engage in free play. We have a range of stimulating toys appropriate for this age group. There will also be the opportunity to engage with a Bible theme through visually stimulating illustrations, songs and tactile Softees.
